About SGT University, Gurugram Haryana

Shree Guru Gobind Singh Tricentenary University, Gurugram is one of the best private universities in Delhi NCR. It is located at Chandu-Budhera on the outskirts of Gurugram, Haryana. The campus is located less than 5 km from the Delhi border of Daurala and offers convenient access to Indira Gandhi International Airport in Palam, Delhi.

The University was established under the Haryana Private Universities (Amendment) Act No. 8, 2013. The University is part of the Dashmesh Educational Charitable Trust, founded in 1999.

Presently, SGT University has 18 faculties and offers around 160+ courses featuring a wide selection of undergraduate, postgraduate and PhD courses.

The University also has a dedicated multi-speciality SGT Hospital with NABL & NABH accreditation. The Hospital serves the local communities around the University and also provides practical exposure to students of medical courses.

SGT has received several awards including the Diamond rating from the QS-IGAUGE ranking. The University boast of having Asia's one and only National Reference Simulation Centre for Nursing & Medical Sciences, established in association with Jhpiego, Laerdal Medical India.

About National Reference Simulation Center(NRSC)

The National Reference Simulation Centre(NRSC) was established in October 2018 with the vision of implementing inter-professional education in a state of art simulation center through simulation-based training. NRSC is intended to train all health care professionals with increasing complexities of individual skills, decision making and case management through simulation based education.
